

Since 2003, KAKE News and our partners have awarded more than 400 Golden Apple Awards honoring Wichita area educators who are making a positive difference in our local schools. With this program, these teachers receive community wide recognition for the creative ways they support, motivate and encourage a lifetime of learning, in and out of the classroom.

Weekly winners are featured on KAKE News every Monday night at 5:00 PM and receive \$1,000 worth of school supplies through Project Teacher and the prestigious Golden Apple trophy.

Eligible nominees include Pre-K through 12th grade teachers in the Wichita area who inspire and motivate students to great heights in education. We're looking for individuals who demonstrate creative teaching, develop programs for our youth and/or any other activities that add greater value to learning and/or have an exceptional attitude despite adversity.
