Affiant is a detective with the Wichita Police Department and in that capacity was assigned the investigation of Wichita Police Department case number 17C018330. The incident occurred on March 19, 2017 at 2446 N. Minnesota, in Wichita, Sedgwick County, Kansas. After reviewing the reports of officers involved with the case, your Affiant has learned the following information:

On March 19, 2017 at 2102 hours, Wichita Police Officers responded to a shooting call in the area of 1906 E. Looman. MA B/M DOB: XX-XX-2000 SSN: unknown told Officer Dreesen #2545 he heard three (3) gunshots in the direction of Michael Farrow's house, which is at 2446 N. Minnesota and he went over there to investigate. MA said Michael's father, Glen Farrow, B/M, DOB: XX-XX-1976 SSN: XXX-XX-2990, answered the door and advised MA he popped three (3) rounds off and MA should go check on Michael. MA said Glen pointed toward the alley. MA said he went to the alley and located Michael.

Officers arrived and located Michael Farrow in the alley behind 1906 E. Looman with a gunshot wound to the chest. Michael was transported by EMS to Wesley Medical Center where he was pronounced deceased at 2134 hours by Dr. Christina Nicholas.

Detective Guzman #2242 conducted an interview with MA who advised he received a message through his Facebook Messenger from Michael stating, "I'm arguing with my dad whether we have school on the 27th or the 28th." MA stated he arrived home around 2020 hours and about 5 to 10 minutes later he heard three (3) gunshots. MA stated he put his shirt back on and grabbed his keys and then went to Michael's house.

MA said when he got to Michael's house, he saw Michael's dad, later identified as Glen Farrow, come out of the front door. MA said Glen had a handgun tucked into his waistband and then told MA that he had shot Michael. MA said Glen then grabbed the gun out of his waistband and said, "He's no longer my son, he's my enemy." MA described the gun as being a small black semi-automatic handgun. Glen then went on to say, "Hurry up and go check on him." Glen then told MA that he had shot down the alley where Michael had been running.

MA stated he then ran down the alley and about 2 to 3 houses down he found Michael lying on the ground with blood covering his body. MA stated that Michael had a bullet hole in his chest and Michael appeared to be gasping for air and MA called 911.
