Officer Involved Shooting

Still Images from body worn camera video

Overview image of incident location and incident time line.

Suspect came out of house unexpectedly as officers were preparing to attempt contact. He initially put his hands up when given verbal commands by the officer.

Suspect said he was going back inside, ignored commands, turned and walked toward porch and front door. K-9 was deployed to stop the suspect. An officer observed a handgun in the suspects back waistband and announced his observation.

K-9 stopped the suspect on the steps to the porch and front door of the suspect residence.

Suspect drew a handgun and shot the K-9. Officers fired at the suspect believing he was shooting at the officers.

K-9 disengaged, fell away, retreated toward the officer and collapsed.

Officers located the suspect's handgun on the porch, next to the wounded suspect.

Suspects Ruger LC9 handgun
